

Payment options:

Flexible Rate – This is ideal for anyone who cannot commit to a regular weekly lesson or needs the flexibility to reschedule a lesson at the last minute. Payment is made in advance of each lesson and there will be no cancellation fee should the lesson be rescheduled.

Advance Payment - This is a special **discount rate** where 10/15/20 hours of lessons are paid for in advance for regular weekly lessons, where a schedule will be agreed in advance. In case of a cancellation made **less than 24 hours in advance** of the scheduled lesson, the lesson will be 'lost' and will be paid for in full.
